

Program Overview

Secure the Perfect car today through Reliable Ride™!

Every year, low income families try to buy vehicles to get to work or for use in conducting essential family business. Many are unable to do so because of debt or credit challenges resulting in high interest rates.

Reliable Ride™ is the solution to your transportation problems thanks to Manatee Community Federal Credit Union and Reliable Ride™.

Reliable Ride™ is a transportation initiative designed to provide low-income families with financial and auto maintenance education designed to better prepare them for car ownership.

Reliable Ride™ offers no haggle pricing, quality vehicles, road side assistance, and affordable financing for individuals who may not otherwise qualify for affordable transportation.

See more details inside to determine if you or a family member may qualify for this opportunity.
